ORDER  
PRN 0891204

By its request (PRN 0891204) filed on behalf of Showboat Atlantic City Operating Company, LLC d/b/a Showboat Casino Hotel ("Showboat"), Showboat seeks authorization for House of Blues restaurant ("House of Blues"), a Type II (hotel) authorized outlet which fronts the Atlantic City Boardwalk, to serve alcoholic beverages on the first ribbon of the Atlantic City Boardwalk in front of its licensed premises, an expanse of approximately 12 feet onto the Boardwalk as measured in the architectural survey dated June 23, 2011 submitted to the City of Atlantic City. Showboat has been granted a "Revocable License Agreement Extension" for 2012 by the City of Atlantic City, on March 21, 2012 which permits the extension of the licensed premises onto the Boardwalk ("Boardwalk premises") until November 1, 2012. Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby order that the request be granted with the following conditions:

1. Hours of operation of the Boardwalk premises will be the same hours of operation of House of Blues, currently from 8:00 a.m. until 4:00 a.m.
2. House of Blue's Boardwalk premises will be that area specifically delineated in the architectural diagram dated June 23, 2011 and submitted to the City of Atlantic City and which was relied upon by the City. That diagram was provided to the Division of Gaming Enforcement ("Division") as part of Showboat's

request.

3. Alcoholic beverages are to be provided to patrons within the Boardwalk premises of House of Blues by the glass or other open receptacle for consumption on the premises of Showboat only.
4. Showboat will maintain procedures to insure that sales of alcoholic beverages to patrons of its House of Blues Boardwalk premises will be only to those individuals who are 21 years of age or older and that such beverages are not sold to individuals who are actually or apparently intoxicated.
5. Showboat will maintain adequate security during operation of its Boardwalk premises to insure the safety of patrons and employees and to prevent the removal of the alcohol by unauthorized individuals.
6. While conducting the sale of alcoholic beverages within its House of Blues Boardwalk premises, Showboat will comply with all requirements attendant to Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(2)* and with all applicable alcoholic beverage laws and regulations of the Division and, as deemed applicable, the Division of Alcoholic Beverage Control.
7. Showboat is to obtain all necessary approvals from other governmental agencies prior to commencing operation of its Boardwalk premises.
8. The relief granted herein will be continuing, without expiration, provided that Showboat complies, in all respects, to the conditions contained herein and in full and complete conformance with the representations made for the approval herein to the City of Atlantic City and the Division, which representations include the location and dimensions of the Boardwalk premises, and that the Division receive, prior to use of the Boardwalk premises for the next term, a notification of such intention to use the expanded Boardwalk area and a copy of the License Agreement, effective for that term, from the City of Atlantic City.
9. Showboat will submit a diagram depicting the location of the tables and chairs to be used within the Boardwalk premises in addition to the location of any other furniture, fixtures and equipment.
10. The Division may amend, suspend or revoke the approval granted by this Order in the event that Showboat fails to comply with any of the conditions set forth herein.
